

Bournville in Shropshire Tenants Organisation

WINTER 2008

Bournville Trust Community Services arrived with 50 Birmingham residents and were greeted by a group of Telford residents and Bournville staff member Kathleen Hughes at the Horsehay Golf Club. After some refreshments, they embarked on a tour of Telford starting at the new Lightmoor Village where they viewed the show homes and Village. After spending 30 minutes at Lightmoor the tour continued around parts of Telford including Ironbridge and finally finishing back at the golf club for a buffet lunch. A good time was had by all.
