

## The Shropshire Tenants Show.

The show was held at Hadley and the display by DNA Dance was amazing, so energetic. The steel band was excellent and the Martial arts display was very entertaining. The fire engine and the face painting were popular. Along with some information side shows this proved to be a interesting day out. The lunch was lovely.  
Well worth a visit if you get chance next year.

### Bisto web site

Is full of interesting information about tenant issues and events.

The site includes a forum and contact details.

### Neighbourhood Watch

There have been reports in various areas of anti-social behaviour. At Doseley, large amount of glass is being broken on foot paths. It is all our responsibility to do something about this. It wont get better on its own. Why not start a neighbourhood watch in your area and lets stamp out anti-social behaviour together. If you are interested leave a message at the estate office and we will put all interested parties in touch with one another.
